[Update as of Monday, Sept. 28, 2020](#)

Construction is continuing on the **NM 68-US 64 Roadway Project** on Paseo del Pueblo from La Posta Road north to Camino de la Placita in Taos. Construction is expected to last until late 2021.

Beginning Wednesday, Sept. 30, 2020 construction will move to Phase 1-C. During this phase, the right lane of northbound Paseo Del Pueblo Sur will be closed, with traffic shifted to the left (west).

Crews will also reconstruct the northeast corner of **Paseo Del Pueblo Sur and Albright Street**. Northbound traffic on Paseo del Pueblo Sur will **not** be able to head north past Albright Street. Traffic may use this detour:

- Head east on Albright Street, then
- Head north on Los Pandos Road to access Paseo Del Pueblo Sur.

Crews will maintain **one lane of northbound traffic and two lanes of southbound traffic** on Paseo del Pueblo Sur between La Posta/Cervantes and Tewa/Albright.

This phase of construction is expected to last through mid- to late December.

Businesses on the east side of Paseo Del Pueblo Sur may have modified access in and out. Parking may be affected.

Regular work hours are **Monday-Friday 7 a.m.-5:30 p.m.** although crews may work longer hours or on weekends if needed.
