

**CONSTRUCTION UPDATE: TEWA CLOSED AT PASEO DEL PUEBLO SUR
AND CONSTRUCTION CONTINUING ON PHASE 1B AND 1-B2
ON NM 68-US 64 ROADWAY PROJECT – PASEO DEL PUEBLO IN TAOS**

NOTE: All construction is weather permitting and subject to change without notice.

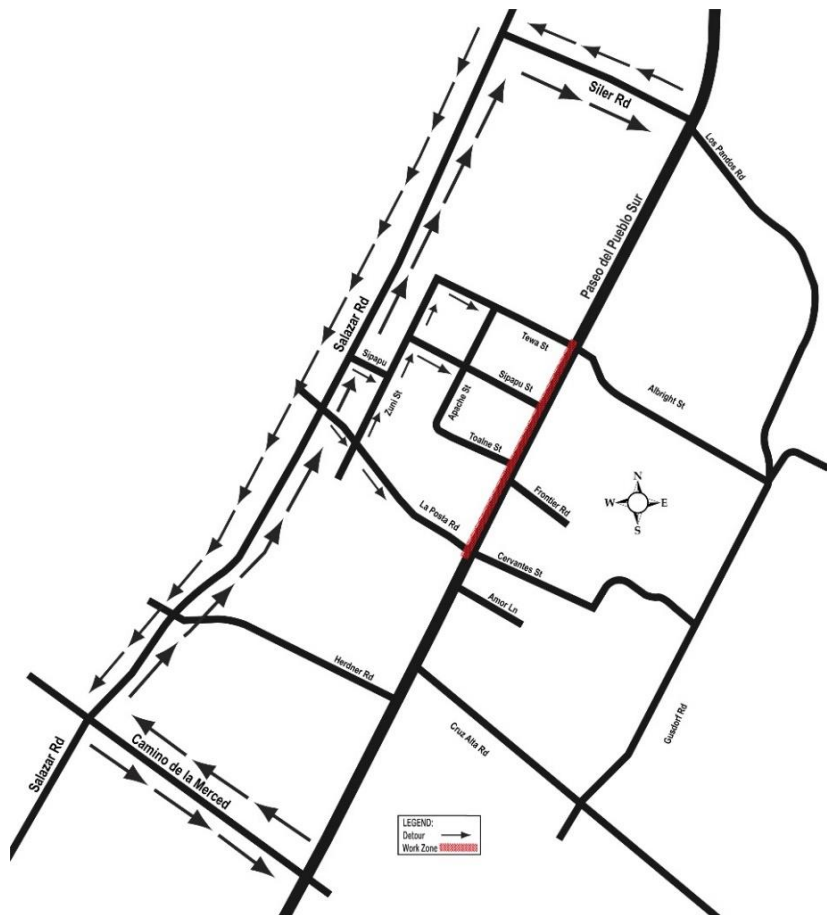

Update as of Thursday, September 3, 2020

Construction is continuing on the **NM 68-US 64 Roadway Project on Paseo del Pueblo** from La Posta Road north to Camino de la Placita in Taos. Construction is expected to last until late 2021.

Crews are reconstructing the entire roadway section of Tewa St. at Paseo del Pueblo Sur. This is needed because the existing roadway is severely damaged. Crews will be able to save time by reconstructing the entire roadway section at once. **This construction is expected to last through mid- to late September.**

Also, crews are working on Phase 1B and Phase 1B-2 of construction and are expected to move into Phase 1-C in late September.

During this construction, the southbound lanes of Paseo Del Pueblo Sur are closed from the Tewa/Albright intersection to the La Posta/Cervantes intersection. Traffic is shifted to the northbound lanes. One lane of traffic is open in each direction (north and south). **All businesses have modified access in and out. Parking may be affected. Business access signs have been installed.**

During this closure, traffic may use detours as needed:

- Traffic headed south on Paseo Del Pueblo Sur can head west on Silver Road, then south on Salazar Road, then east on Sipapu to access local businesses. Or, traffic can continue south on Salazar Road, then east on Camino de la Merced to access Pueblo Del Pueblo Sur.
- Traffic headed north on Paseo Del Pueblo Sur can head east on Camino de la Merced and north on Salazar Road to access Sipapu, then east on Sipapu to access local businesses, or continue north on Salazar Road to Silver Road to access Paseo Del Pueblo Sur.

Regular work hours are **Monday-Friday 7 a.m.-5:30 p.m.** although crews may work longer hours or on weekends if needed. **Crews will not be working on Monday, Sept. 7 in observance of the Labor Day Holiday. Barricades will remain in place for safety.** For more information, to ask questions or to sign up for free email updates, visit the project website, www.taosnm6864.com or call **505-269-9691**. Information is also available at www.nmroads.com.
