Update as of Friday, October 16, 2020

Construction is continuing on the **NM 68-US 64 Roadway Project on Paseo del Pueblo from La Posta Road north to Camino de la Placita in Taos**. Construction is expected to last until late 2021.

NEW: Beginning **Monday, Oct. 19, 2020** and lasting for **2-3 weeks**, access to Super Save Discount Foods will be **CLOSED** from Pueblo Sur so Century Link can complete utility work. Customers will be able to access Super Save from Albright Street.

CONTINUING: Through late October or early November, Paseo del Pueblo Sur is **CLOSED** at Cervantes so crews can reconstruct the roadway in the southeast corner of that intersection.

As part of Phase C-1 crews are reconstructing the southeast corner of Paseo Del Pueblo Sur and Albright Street. Traffic is able to flow southbound and northbound on Paseo Del Pueblo Sur during this construction.

Crews are maintaining **one lane of northbound traffic** and **two lanes of southbound traffic** on Paseo del Pueblo Sur between La Posta/Cervantes and Tewa/Albright.

Phase C-1 construction is expected to last through mid- to late December and will be followed by other phases. Businesses on the east side of Paseo Del Pueblo Sur may have modified access in and out. Parking may be affected.
