

CONSTRUCTION UPDATE: NM 68-US 64 Roadway Project Continues
Construction in Phase 2-A; Some Business Driveways on Both Sides of Paseo del Pueblo Sur to Close South of Los Pandos Rd Beginning Monday, Aug. 2, 2021

NOTE: All construction is weather permitting and subject to change without notice.

Update as of Friday, July 30, 2021

NOTE: The planned shift of construction from Phase 2-A to 2-B scheduled the week of July 26-30, 2021, has been postponed to mid to late August.

Construction continues in Phase 2-A. The **northern** driveways for Ace Hardware, Big 5 Sporting Goods and Smith's Food & Drug will be closed beginning **Monday, Aug. 2**, and the **southern** driveway for Hinds & Hinds/U-Haul will be closed later so crews can extend a concrete box culvert (see map to right). This work is expected to last about one and one-half months, through mid to late September 2021. Access to all of these businesses will be maintained through alternate driveways.

Continuing Traffic Impacts for Phase 2-A

Crews are working in the center of Paseo del Pueblo Sur between the Siler Rd/Los Pandos Rd intersection and the Tewa St/Albright St intersection. Traffic has been moved to the outside shoulders with one lane of traffic open in each direction, north and south (see map to left). Because barricades are in the center section of the road to protect construction workers, there are **NO left turns** for motorists heading north or south between the Tewa/Albright intersection and the Siler/Los Pandos intersection.

Regular work hours are **7 a.m. to 6:30 p.m., Monday-Friday**, although crews may work longer hours or on weekends as needed.

Motorists traveling through this area should expect delays and obey the 25-miles-per-hour speed limit.
