Crews will rebuild the northeast and southeast quadrants of the Tewa St/Albright St intersection. Crews will rebuild the northeast quadrant first, then the southeast quadrant. Access will be maintained to all businesses (see *detour map at right*).

Ongoing: Construction is in Phase 2-B

(See *detour map at left*) Lasting through early November 2021, traffic is shifted to the west on Paseo del Pueblo Sur between the Tewa/Albright intersection and the Siler/Los Pandos intersection. **One lane of traffic will remain open in each direction (north and south).**

Traffic is shifted to the outside lanes on Paseo del Pueblo Sur from the Siler/Los Pandos intersection to the Ojitos intersection.

Also continuing:

The northern driveways for Ace Hardware, Big 5 Sporting Goods and Smith's Food & Drug are **CLOSED**, along with the southern driveway for Hinds & Hinds/U-Haul, so crews can extend a concrete box culvert. This work is expected to last through mid to late October. **Access to all of these businesses will be maintained through alternate driveways.**

Regular work hours are **7 a.m. to 6:30 p.m., Monday-Friday**, although crews may work longer hours or on weekends as needed.

Motorists traveling through this area should expect delays and obey the 25-miles-per-hour speed limit.
