

CONSTRUCTION UPDATE: NM 68-US 64 Roadway Project – Project is in Winter Suspension until April 4, 2022; Barricades Remain In Place for Safety

NOTE: All construction is weather permitting and subject to change without notice.

Update as of Tuesday, March 15, 2022

Construction is now scheduled to resume on Monday, April 4, 2022. While the Los Pandos/Paseo del Pueblo Sur intersection is open, barricades remain in place on the project for safety and motorists can use Albright Street as a detour.

ONGOING:

A temporary access for Los Pandos is open at Paseo del Pueblo Sur but there are some challenges at this intersection.

The following traffic impacts are in place:

- 1) **LEFT TURNS ARE DISCOURAGED** from southbound Paseo del Pueblo Sur to Los Pandos
- 2) **RIGHT TURNS ARE DISCOURAGED** from northbound Paseo del Pueblo Sur to Los Pandos
- 3) **Traffic can use Albright St as a detour to access Los Pandos.**

Traffic is shifted to the west on Paseo del Pueblo Sur between the Tewa/Albright intersection and the Los Pandos/Siler Rd intersection.

One lane of traffic is open in each direction (north and south).

Motorists traveling through this area should expect delays and obey the 25-mile-per-hour speed limit.
