NEW: Beginning in late March or early April 2023, crews will resume construction on Phase 2-B of the project. The following traffic impacts will remain in place through mid to late May 2023:

- **Siler Road will be closed at Paseo del Pueblo Sur.**
Traffic can use La Posta Road to Salazar Road to Siler Road as a detour.
- **Traffic on Paseo del Pueblo Sur will be shifted to the east between Siler/Los Pandos and Tewa/Albright**, with one lane open in each direction (northbound and southbound).

The speed limit is reduced to 25 mph in the construction zone. Motorists traveling in this area are encouraged to use extra caution and give themselves extra time to reach their destinations.

After completing work on Paseo del Pueblo Sur between Tewa/Albright and Siler/Los Pandos, crews will work on Paseo del Pueblo Sur between Siler/Los Pandos and Quesnel through mid-to late summer. Then, they will begin work on Phase 3 on Paseo del Pueblo Norte from Quesnel to north of Civic Plaza Drive through about Thanksgiving.
